This information is provided by each of the districts listed. In order to calculate the difference in your voter approved contribution multiply your net taxable value listed for the year (found on Assessment Notice or Tax Bill) by the levy rate for the voter approved bond. Example: \$200,000 X .002328087 = \$456.62

* Prior to 2012's Consolidated Election Laws, Taxing Districts held their own elections and Canyon County was limited to the information received. Data applied to this document was Canyon County's best attempt to decipher the limited information. Please contact Taxing District for additional information.

** Information provided on submitted L-2 did not provide county detailed information to report data.
