*Tailored towards **grades 5+**

*One hour long

*A collaboration between **Canyon County Parks** and **Bureau of Land Management's Morley Nelson Snake River Birds of Prey National Conservation Area**.

*An immersive experience of Celebration Park's winter landscape

*Combines themes of **natural and cultural history** through videos and interactive activities

*Available on **Thursdays & Fridays in December, January, and February**

Ecology of Celebration Park

Learn about the plants of Celebration Park, how they are adapted to winter in the high desert, and how native people interacted with them.

Birds of Prey

“Meet the Raptors” with an NCA Environmental Education Specialist to learn how raptors survive the winter and how to identify different birds of prey.
