

# Virtual Winter Desert Ecology Field Trips!

Learn about winter in the sagebrush steppe with us, online!

- \*Tailored towards **grades 5+**
- \*One hour long
- \*A collaboration between **Canyon County Parks** and **Bureau of Land Management's Morley Nelson Snake River Birds of Prey National Conservation Area.**
- \*An immersive experience of Celebration Park's winter landscape
- \*Combines themes of **natural and cultural history** through videos and interactive activities
- \*Available on **Thursdays & Fridays in December, January, and February**

Email [parksprograms@canyoncounty.id.gov](mailto:parksprograms@canyoncounty.id.gov) to book.

## Ecology of Celebration Park

Learn about the plants of Celebration Park, how they are adapted to winter in the high desert, and how native people interacted with them.

## Birds of Prey

“Meet the Raptors” with an NCA Environmental Education Specialist to learn how raptors survive the winter and how to identify different birds of prey.
