RE: Canyon County Fair Event Center Fence Project

Dear Public Works Contractor:

The purpose of this letter is to advise you that the bids for Canyon County's Fair Event Center Fence Project have been received and reviewed. Pursuant to Idaho Code § 67-2805(1) the County solicited bids in writing on the Project from three public works contractors. No bids were received by the deadline specified in the written solicitation. The following solicited public works contractor submitted a bid after the County's deadline:

- Meridian Fence, bid of \$113,665.64

We have determined to accept the bid and award the Project to the bidder.

Per Idaho Code § 67-2805(1)(e), the County further finds that it is impractical or impossible to obtain other bids based on the solicitation process already undertaken and the need to complete the project in a timely manner. Documentation of the procurement process will be retained for a minimum of six (6) months. The County's waiver of any minor defect in the bid or bid process shall in no way modify the IFB document or excuse the contractor from full compliance with its specifications.

Thank you for your participation in bidding this project. You will soon receive a letter from the County's attorney containing the relevant contract and other information.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
