***RE: Notice of Selection***

Dear Proposers:

The purpose of this letter is to advise you that the statements of qualifications for Canyon County's RFQ for Architecture/Engineering Services for the CCSO Building Construction Project have been received and reviewed. The County has determined that the Statement of Qualification that best meets the County's needs while complying with procedures and meeting specifications is Hummel Architects. The County will reach out to Brian Coleman with Hummel Architects separately regarding contract negotiations pursuant to Idaho Code § 67-2320(2).

Thank you all very much for your interest and response to this project. We look forward to opportunities to work with each of you again in the future.

Sincerely,

**CANYON COUNTY BOARD OF COMMISSIONERS**
