Questions:

1. Written questions were submitted by:

A. Consolidated Telecom – Anthony Ciccarelli

- Q.1. Would the County be open to allowing other Idaho counties to “piggyback” on the contract that results from this RFI process?
 - A.1. The County has no role in approving the procurement processes of other entities. Any contract associated with the provision of inmate telecommunication services will be a public record.
- Q.2. Do we know the current ratio of tablets to inmates? If not, it might be helpful to know how many tablets they currently have in use so we have a handle on how many we are going to need?
 - A.2. The current ratio depends on the unit. Some units are 8 inmates per 1 tablet, others are 5 inmates per 1 tablet. We would like to have a 3 inmate per 1 tablet ratio.

Q.3. Will the could please [sic] provide the current or estimated numbers of the phones, video visitation units, and tablets needed at the facility?

A.3. See Attachment 2, attached hereto.

**B. Crown Correctional Telephone, Inc., Sterling Commissary, LLC
– Derrick Ploutz**

Q.1. Is Canyon County looking to go to Request for Proposal (RFP) after the RFI or are bidders going to be selected from the RFI?

A.1. The County is committed to keeping its lawful options open, and will make subsequent decisions in accordance with law and the best interests of the County and the Jail, as determined by the County Commissioners and Sheriff respectively.

Q.2. Please provide revenue/ commission statements from the current provider.

A.2. See section C. Q.1. A.1. below.

Q.3. Is there a fiber connection between all mentioned facilities?

A.3. Yes.

Q.4. What is the preferred tablet charging solution by location?

A.4. Docking stations are currently used and are the preferred charging solution.

Q.5. Will there be any communications revenue that comes from the commissary provider in the form of messaging?

A.5. No.

Q.6. What is the current number of inmate phones, tablets, and video visitation docking stations listed by pod? Are there any specific housing areas that you'd like to add additional wall-mounted inmate telephones, tablets, or video visitation docking stations?

A.6. See Attachment 2, attached hereto.

Q.7. Are you expecting a financial offer with all submissions?

A.7. Yes, although it is important to recognize that this is a Request For Information and not an Invitation for Bids. The County is interested in maximizing its commission, but not at the expense of service

C. Home Wav/Strategic Accounts – Nick Dhaenens

Q.1. Will the County please share a copy of the current vendor's revenue/commission report?

A.1. Totals do not include any fees applied by GTL not seen by Canyon County.
