***RE: Canyon County Fire Protection Project***

Alex Terrazas:

The purpose of this letter is to advise you that your bid for Canyon County's Fire Protection Project has been received and reviewed. We have determined that, as the only bid received, yours is the lowest bid complying with procedures and meeting specifications. Thank you very much for your thoughtful participation in bidding this project.

You will soon receive a letter from the County's attorney containing the relevant contract, public works contract report, Idaho Tax Commission tax release request form, and other information. Facilities Director, Rick Britton, will be in contact with the County's attorney to discuss coordination details as necessary.

We look forward to working with all of you again in the future.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
