Subject: [External] Fwd: Crossing agreement

Hi Emily, I'm forwarding you the email from the Irrigation District. The drain ditch that he mentions doesn't supply water for use to any of our neighbors down stream from us. It's just a drain for run off water. It also already has a crossing/ driveway over it that passed during our occupancy permit.

Every one else signed the Agency Acknowledgment.

Thank you

That location is on a lateral off of the extension in which the ditch company has no authority to grant a crossing agreement in that area we are only responsible for the main canal my suggestion is to speak with a water user downstream to make sure that you put in a sufficient size of pipe as to not hinder them from getting the quantity of water that they are allotted thank you

Operation Plan for Venue

Our plan for this venue is to provide an affordable, beautiful place for a wedding or event. Our property is ideal because the venue site is in complete shade by 3:00 pm and is in a natural valley surrounded by trees that provides privacy for the guests as well as our neighbors.

Operational months will be May-September, with only one event scheduled per week, (should we have that much interest). The day of their event would be their choice of Friday, Saturday, or Sunday. We would allow our clients to be on site from 12:00 pm to 10:00 pm. Their contract will state that the music must be kept at 90dB or less and be off by 9:30 pm, with everyone gone by 10:00 pm. This will be strictly enforced.

The venue can accommodate up to 100 guests and has 20 parking spaces. Fences have already been built and additional trees planted to aid in privacy and sound reduction. We will continue to improve on both. The car parking area is well graveled and lit, for minimal dust and safety.

We will rent two portable bathrooms and a sanitation station at the beginning of summer for the duration of the wedding season and have them scheduled for cleaning after each event.

There is a graveled road for loading and unloading, accessing where a wedding tent can be set up. This will also be a useful space for catering and food/flowers/cake. Food would be prepared on site or off site via caterers' discretion.

We will use our home office for consultation meetings. Then plan to take any building that needs done in stages. The first season we hope

to have a small bridal cottage built before opening. A tent will need to be rented for the reception and/or any weather issues. If all goes well and when it becomes financially possible, we would like to replace a rented tent with a covered patio, 20X40. Also, a small groomsman's cottage should we need it. There will be a small sign, somewhere the size of 3'x4' placed up by the road. This sign will not be lit.

There are two power outlets, one on the power pole at the head of the venue area, and the other on the side of our house. We also have a small generator that can operate the twinkle lights and acoustics should there be an outage.

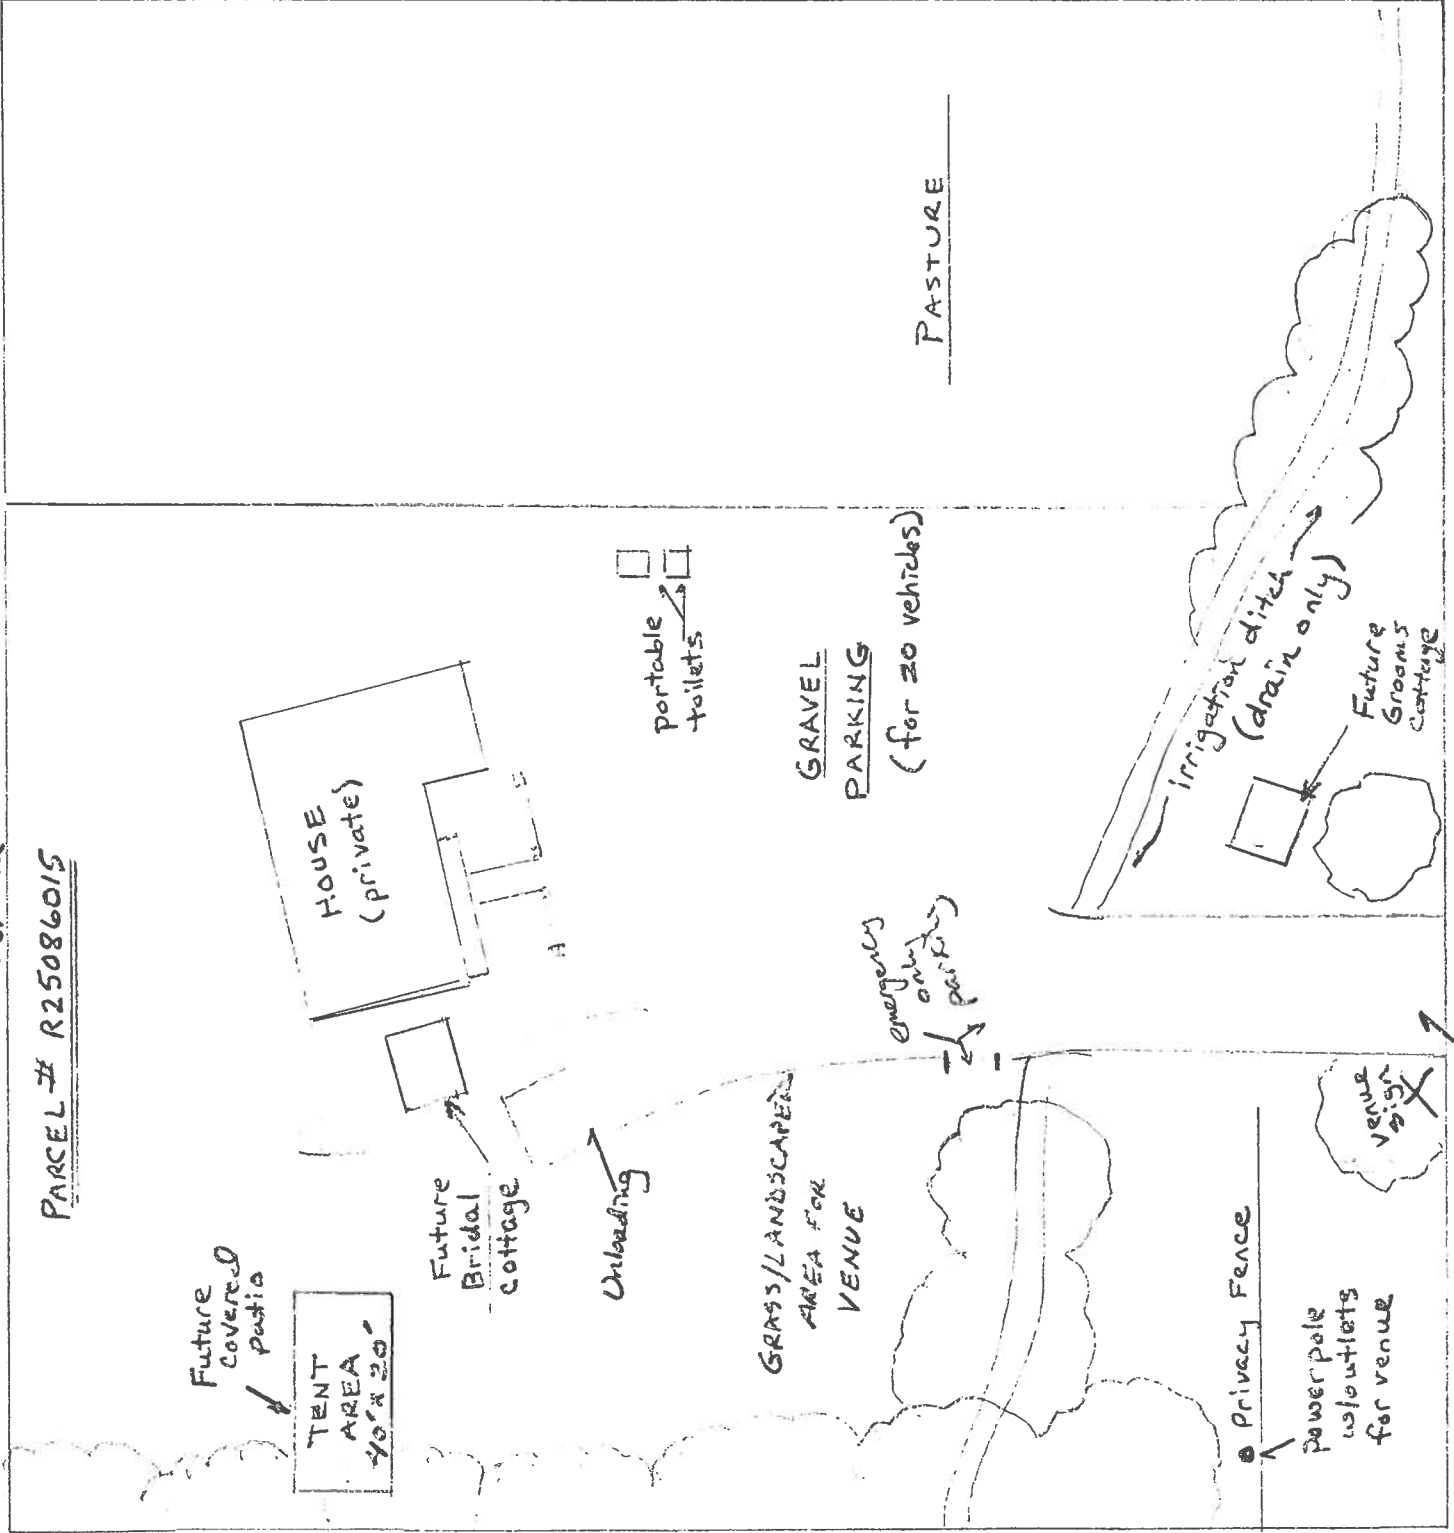

We hosted our son's wedding here in June 2023. It was a great way to test the waters for a permanent venue. All went very well with lots of compliments and encouragement to proceed with this.

Privacy Fence

ROCKY ROAD

Canyon County Development Service,

We are applying for a Conditional Use Permit for our property at 28352 Rocky Rd. Parma, ID for a wedding and event venue. We met with Jenna Petroll and Sage Huggins for our initial meeting and went over all the information. Our proposed use is permitted in the zone we live in, and we were told to proceed with the application.

The land where the venue will be located dips down and is surrounded by trees that block it from the neighbors and road. We further have a privacy fence installed to block the noise coming in and out of the venue area. This will not be injurious to other property in the vicinity or negatively change the essential character of the area.

We will provide rented bathroom facilities for the events.

Legal access to our property exists and it does not cause undue interference with existing for future traffic patterns as there is a large pasture area that will accommodate all parking. The main driveway will not be blocked by parking at anytime to accommodate any police/fire/emergency medical vehicles from entering the premises. However, we do not anticipate the need for any of these services, and therefore would not require any public funding for these services.

The neighborhood meeting went very well, and all in attendance were very supportive of our endeavors. Their concerns were addressed to their satisfaction, and we received good feedback and advice from them in return.

Thank you for your consideration of our conditional use permit. We look forward to hearing from you.

Darren & Brenda Larson

208-617-7969

Dear Neighbor,

We are in the process of submitting an application for a Conditional Use Permit to Canyon County Development Services. One of the requirements necessary prior to submitting the application is to hold a "neighborhood meeting" and provide information to our surrounding neighbors.

This meeting is for informational purposes and to receive feedback from you as we move through the application process for a small wedding venue. This is not a Public Hearing. Once our application has been submitted and processed, a public hearing date will be scheduled. Prior to the schedule date you will receive an official notification from Canyon County DSD regarding the Public Hearing for which the Conditional Use Permit is applied.

The Meeting details are:

Date: Tuesday, July 18th

Time: 7pm

Location: 28352 Rocky Rd.

We look forward to the meeting and encourage you to attend. At that time, we will do our best to answer any questions you may have.

Please do not call Canyon County Development Services regarding this meeting. This is a pre-application requirement and we have not submitted the application for consideration at this time. The County currently has no information on this project. If you have any questions prior to the meeting, please contact Brenda.

Thank you,

Jeep & Brenda Larson

12. **DEFAULTS.** In the event that the sellers or buyers shall declare a default and, if required by the documents deposited into escrow, they shall cause to be delivered to the escrow holder notification of default, in duplicate, and as many additional copies as the escrow holder may deem necessary with instructions to the escrow holder to mail the original of the notice to the defaulting party by registered or certified mail. The duplicate notice shall be retained with the escrow file. The buyers agree that should a notice of default be forwarded to them as set forth above, the escrow holder shall not be or become liable to the buyers for the delivery of the escrowed papers to the sellers unless they advise the escrow holder in writing within the time allowed in the contract to cure such default, that the terms of the contract are not in default or that the default has been satisfied. It shall be the responsibility of the sellers to notify Pioneer Title Company in writing of any such default or rescission thereof and Pioneer Title Company will not consider an escrow account in default until such time as sellers have provided Pioneer Title Company with written notification that foreclosure proceedings have been initiated through the trustee. Pioneer Title Company shall not be responsible for any damages arising out of or relating to the failure of any party to comply with such notice requirement. Pioneer Title shall not be obligated to notify any party of nonpayment or other breach of contract.

DEED OF TRUST

THIS DEED OF TRUST, Made May 9, 2012 between **Darren R. Larson and Brenda L. Larson, husband and wife** herein called GRANTOR, whose address is 28236 Rocky Road, Parma, ID 83660; Pioneer Title Company of Canyon County, herein called TRUSTEE; and **Ida-Cal Homes, LLC, an Idaho limited liability company** whose mailing address is 447 Arrowhead Drive, Nampa, ID 83686, herein called BENEFICIARY;

WITNESSETH: That Grantor does hereby irrevocably GRANT, BARGAIN, SELL AND CONVEY TO TRUSTEE IN TRUST, WITH POWER OF SALE, that property in the County of Canyon, State of Idaho, described as follows, and containing not more than eighty acres:

See Exhibit A attached hereto and made a part hereof.

If all, or any part, of the subject real property, or an interest therein is sold, transferred, or contracted to be sold or transferred in the future by agreement, without the Beneficiary's prior written consent, excluding a transfer by devise, descent or operation of law upon the death of the Grantor, Beneficiary may, at Beneficiary's option, declare all sums secured by this Deed of Trust to be immediately due and payable.

TOGETHER WITH the rents, issues and profits thereof, SUBJECT, HOWEVER, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues and profits, for the purpose of securing payment of the indebtedness evidenced by a promissory note, of even date herewith, executed by Grantor in the sum of \$45,000.00 Forty Five Thousand Dollars and No Cents final payment due 12/10/2012, and to secure payment of all such further sums as may hereafter be loaned or advanced by the Beneficiary herein to the Grantor herein, or any or either of them, while record owner of present interest, for any purpose, and of any notes, drafts or other instruments representing such further loans, advances or expenditures together with interest on all such sums at the rate therein provided. Provided, however, that the making of such further loans, advances or expenditures shall be optional with the Beneficiary, and provided, further, that it is the express intention of the parties to this Deed of Trust that it shall stand as continuing security until paid for all such advances together with interest thereon.

A. To protect the security of this Deed of Trust, Grantor agrees:

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereon; not to commit, suffer or permit any act upon said property in violation of law; to cultivate; irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire, vandalism and malicious mischief insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. The provisions hereof are subject to the mutual agreements of the parties as below set forth.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee and to pay all costs and expenses, including cost of evidence of title and attorneys' fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed of Trust.

(4) To pay: (a) at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; (b) when due, subject to the mutual agreements of the parties as below set forth, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; (c) all allowable expenses of this Trust.

(5) Should Grantor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Grantor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such power, pay allowable expenses.

(6) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the amount allowed by law in effect at the date hereof.

B. It is mutually agreed that:

(1) Any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

(2) By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(3) At any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey all or any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(4) Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in any reconveyance executed under this deed of trust of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

(5) As additional security, Grantor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Grantor the right, prior to any default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(6) Upon default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. In the event of default, Beneficiary shall execute or cause the Trustee to execute a written notice of such default and of his election to cause to be sold the herein described property to satisfy the obligations hereof, and shall cause such notice to be recorded in the office of the recorder of each county wherein said real property or some part thereof is situated.

Subject: Re: [External] Re: Conditional Use Permit for Wedding Venue

Hi Emily,

1. Our plan is to allow a bottle of wine/champagne on each table for the after celebration. But no open bar will be allowed. There should be no need for a licensed bartender.

2. This was a suggestion based on him not seeing the property. He came out and looked at it about 3 weeks ago and saw that there was a sufficient irrigation drain pipe.

3. Portable toilets and sanitation stations only, for guests

4. Gravel on parking and driveway.

5. (a&b) Parking lot will be as marked on site plan. This will be installed upon receiving our special use permit. Lot will have a bed of pit run, topped with road mix.

(c) The fire department already signed off on our entrance and parking lot for the venue. However we may put in a separate exit after the plan is approved.

(d) First, we are going to have a specific capacity limit. Second, we have a large private parking area already for overflow.

6. In the contract there will be an attendance limit backed by deposits.

7. We already have a sight obscuring fence installed between us and the neighbors. We are continuing to install landscaping barriers also.

8. We would not allow concerts, foot races, walks, bazaars or harvest festivals.

Thank you Emily for all of your help!

If you don't have an answer, that is okay for some of these questions. It is just helpful information to know because these topics below have come up at previous special events facility public hearings :

Here is a overview of the parking. Also, thanks for the info the alcohol permit. We will look into that, maybe we'll have a no alcohol venue. That's what we would prefer anyway.

When the Fire Chief came out he looked over the entrance, parking lot, and told me where to put emergency parking only. Then he signed the authorization paperwork you sent me that was turned in with the last set of paperwork. The parking area will have space for 30 cars, which gives us a 10 car overflow. This isn't an up to date photo, so it shows a storage unit that is no longer here. It also doesn't show the fencing or landscape that has been put in place. This must have been taken during the construction of the house.

This is Vince and I have read your email and as to the comment and or email that I had made to the water user about it being off of our area of responsibility that is a truthful statement and it will not change in the future as for the site visit I wanted to just see the area and make sure nothing stood out as a possible problem in the future I do not recall stating that they had a proper drain pipe to the best of my recollection

Hello,

I believe you have been in correspondence with Darren and Brenda Larson (Parcel R25086015 or 28352 Rocky Rd Parma, ID) on their application for a special events facility.

They provided me an email to me on 3-11-24 from you on the lateral on the property in which you state: "That location is on a lateral off of the extension in which the ditch company has no authority to grant a crossing agreement in that area we are only responsible for the main canal my suggestion is to speak with a water user downstream to make sure that you put in a sufficient size of pipe as to not hinder them from getting the quantity of water that they are allotted."

Do you have any additional comments or potential conditions of approval you would like me to add my staff report or Findings of Fact and Conclusions of Law (FCOs)? Or is the comment you made to the applicant sufficient?

I believe the applicant also mentioned to me that you did a site visit and stated that there is a sufficient irrigation drainage pipe on the property. Is that true?

Hello,

Thank you for the update on the contact information, I will make sure that is changed.

And thank you for looking over the wedding venue application, I have attached the agency notification packet that was sent out in April in case you needed to review any of these other documents she turned in (letter of intent, operations plan, etc.)

Sincerely,

Emily Kiester,
