RE: Canyon County Fleet Shop HVAC Solicitation for Bids

Dear Licensed Public Works Contractors:

The purpose of this letter is to advise you that the bids for Canyon County's Canyon County Fleet Shop HVAC Project have been received and reviewed. We have determined that the apparent low bid complying with procedures and meeting specifications is as follows:

- ACCO Engineered Systems. \$81,442.00

Thank you all very much for your thoughtful participation in bidding this project.

ACCO Engineered Systems will soon receive a letter from the County's attorney containing the relevant contract, public works contract report, Idaho Tax Commission tax release request form, and other information. I will be in contact with him to discuss coordination details as necessary.

We look forward to working with all of you again in the future.

Sincerely,

BOARD OF COUNTY COMMISSIONERS

Commissioner Leslie Van Beek

Commissioner Brad Holton

Commissioner Zach Brooks
