CELEBRATION PARK and MARTIN LANDING FIRE DANGER "EXTREME"

CALDWELL, ID — (July 17, 2024) The Canyon County Parks, Cultural & Natural Resources Department Director Nichole Schwend has announced today that Celebration Park and Martin Landing fire danger will be changed to "EXTREME" due to the excessive heat and dangerous fire conditions.

Fires outside the designated fire pits, including in portable fire pits, will be prohibited for both sites. In addition, no pallet fires, rock ring fires, or charcoal grills will be allowed. Propane camp stoves for cooking will still be allowed while the burn ban is in effect.

Visitors are asked to please adhere to the campfire ban and dangerous fire conditions to help protect Celebration Park and Martin Landing.
