Subject: Lateral Expansion Application, Pickles Butte Sanitary Landfill, Canyon County, Idaho

Dear Mr. Beeter,

On behalf of Canyon County Solid Waste, Tetra Tech is submitting an application for the Phase 5 Lateral Expansion of the Pickles Butte Sanitary Landfill in rural Canyon County, Idaho. The application and supporting information are included as electronic files (PDF format) on the attached flash drive. Note that the appendices and the supporting historic reports are presented in files or folders on the flash drive separate from the main document.

Form SW-G1 is also included. We anticipate being able to submit a signed copy of that form to you the week of October 14, 2024. Thank you for your continued cooperation. Please contact me if you have any questions or comments on this submittal.

Sincerely,

A handwritten signature in black ink, appearing to read 'Maureen McGraw'.
