

PLANNING AND ZONING COMMISSION
FINDINGS OF FACT, CONCLUSIONS OF LAW AND ORDER

In the matter of the application of:

Thueson – VAC2024-0001

The Canyon County Planning and Zoning Commission considers the following:

1) Easement Vacation

The applicant, Lance Thueson, represented by Becky Yzaguirre of Ardurra, is requesting a vacation of a fire access easement in Lot 10 Block 1 of Castleton Place Subdivision. There is now another access to the subdivision from Lewis Lane through Jack's Place Subdivision. The subject property is located at 1002 Huntington Court, also referenced as Parcel R29411109, a portion of the SE quarter of Section 10, T2N, R2W, BM, Canyon County, Idaho.

Summary of the Record

1. The record is comprised of the following:

A. The record includes all testimony, the staff report, exhibits, and documents in Case File VAC2024-0001.

Applicable Law

1. The following laws and ordinances apply to this decision: Canyon County Code §01-17 (Land Use/Land Division Hearing Procedures), Canyon County Code §07-05 (Notice, Hearing and Appeal Procedures), Canyon County Code §07-17-35 (Subdivision/Easement Vacations), Idaho Code §50-1306A (Vacation of Plats - Procedure), and Canyon County Code §09-11 (Nampa Area of City Impact Agreement).
 - a. Notice of the public hearing was provided per CCZO §07-05-01.
 - b. Any property owner desiring to have an existing subdivision vacated, in whole or part, including easements, shall complete and file an application along with any fees with DSD and also file such other applications as are otherwise required by law. Upon receipt of the completed application and other information as may be required, DSD shall affix the date of application acceptance thereon. The application shall be considered by the commission at a public hearing noticed as provided for in article 5 of this chapter. Vacations shall be processed in accord with the regulations set forth in Idaho Code section 50-1306A and recorded in accord with the regulations set forth in Idaho Code section 50-1324. The commission shall review the request and any agency response and make a recommendation to the Board for approval, conditional approval or denial.
2. The commission has the authority to exercise powers granted to it by the Idaho Local Land Use and Planning Act ("LLUPA") and can establish its own ordinances regarding land use, including subdivision permits. *See* I.C. §67-6504, §67-6511.
3. The commission shall have those powers and perform those duties assigned by the board that are provided for in the local land use planning act, Idaho Code, title 67, chapter 65, and county ordinances. CCZO §07-03-01, 07-06-05.
4. The burden of persuasion is upon the applicant to prove that all criteria are satisfied. CCZO §07-05-03.
5. Idaho Code §67-6535(2) requires the following: The approval or denial of any application required or authorized pursuant to this chapter shall be in writing and accompanied by a reasoned statement that explains the criteria and standards considered relevant, states the relevant contested facts relied upon, and explains the rationale for the decision based on the applicable provisions of the comprehensive plan, relevant ordinance and

statutory provisions, pertinent constitutional principles and factual information contained in the record. The County's hearing procedures adopted per Idaho Code §67-6534 require that final decisions be in the form of written findings, conclusions, and orders. CCZO 07-05-03(1)(I).

The application (VAC2024-0001) was presented at a public hearing before the Canyon County Planning and Zoning Commission on March 20, 2025. Having considered all the written and documentary evidence, the record, the staff report, oral testimony, and other evidence provided, including the project plans, the Planning and Zoning Commission decides as follows:

SUBDIVISION/EASEMENT VACATIONS – CCZO §07-17-35

- 1. Any property owner desiring to have an existing subdivision vacated, in whole or part, including easements, shall complete and file an application along with any fees with DSD and also file such other applications as are otherwise required by law.**

Conclusion: A complete application with fees was filed with DSD including the application fee. No other applications are required by law.

Findings: (1) A complete application with fees was accepted on November 6, 2024 (Staff Report Exhibit A).

(2) Evidence includes the application, supporting materials submitted by the applicant, public testimony, and the staff report with exhibits found in Case No. VAC2024-0001.

(3) Evidence includes associated findings and evidence supported within this document.

- 2. Upon receipt of the completed application and other information as may be required, DSD shall affix the date of application acceptance thereon. The application shall be considered by the commission at a public hearing noticed as provided for in article 5 of this chapter. Vacations shall be processed in accord with the regulations set forth in Idaho Code section 50-1306A and recorded in accord with the regulations set forth in Idaho Code section 50-1324.**

Conclusion: The requirements of 07-17-35(2) have been met or will be met at the time of approval.

Findings: (1) The date of application acceptance (November 6, 2024) was noted on the application.

(2) The application is being considered by the Planning & Zoning Commission at a public hearing on March 20, 2025. Noticing for the hearing was provided for according to Article 5.

(3) The vacation has been processed in accord with all applicable parts of Idaho Code as follows:

- 50-1306A (1): A complete application was submitted to Development Services Department including circumstances of the request to vacate (Staff Report Exhibit A2), legal description of the easement to be vacated (Staff Report Exhibit A4), and the only affected person is the property owner, Lance Thueson.
- 50-1306A (2): Noticing per Canyon County Code of Ordinances article 07-05 exceeds noticing requirements in this state code except for the certified mail requirement. Certified mail shall be sent prior to the Board of County Commissioners hearing.
- 50-1306A (4): The property is within one (1) mile of Nampa city limits, so written notice was sent to City of Nampa in accordance with Canyon County Code §09-11 (Area of City Impact Agreement).
- 50-1306A (7): Publication costs are factored in to the application fee.
- 50-1306A (10): Certified mail will be sent prior to the Board of County Commissioners hearing. Proof of notification by certified mail will be available prior to the Board of County Commissioners hearing.
- 50-1324 (1): The applicant must provide certification from the County Treasurer that all taxes due are paid if the vacation is approved.
- 50-1324 (2): If approved, a resolution with record of survey shall be recorded as described.

(4) Evidence includes the application, supporting materials submitted by the applicant, public testimony, and the staff report with exhibits found in Case No. VAC2024-0001.

(5) Evidence includes associated findings and evidence supported within this document.

3. The commission shall review the request and any agency response and make a recommendation to the Board for approval, conditional approval or denial. (Ord. 10-006, 8-16-2010; amd. Ord. 11-003, 3-16-2011)

Conclusion: The commission has reviewed the request and agency responses and is making a recommendation to the Board for approval.

Findings: (1) The request went before the Planning & Zoning Commission at the public hearing on March 20, 2025 for a recommendation to the Board of County Commissioners.

(2) Evidence includes the application, supporting materials submitted by the applicant, public testimony, and the staff report with exhibits found in Case No. VAC2024-0001.

(3) Evidence includes associated findings and evidence supported within this document.

Canyon County Code §09-11 (Area of City Impact Agreement) - AREA OF CITY IMPACT AGREEMENT ORDINANCE

Conclusion: The property is located within the Nampa Area of City Impact. The case is in compliance with the area of city impact agreement.

Findings: (1) Pursuant to CCZO §09-11-19, Nampa city ordinance 3354, section 10-27-12 (Amended Plats; Vacation) as it existed on June 7, 2004 applies to this decision (as well as other codes which are not applicable based on the nature of the request).

The code states, in part, "Processing of vacation requests for easements and/or rights of way shall be executed in accordance with provisions of state code. They shall be done by ordinance of the city council and approved first by the same during a public hearing. Vacations may be reviewed but not approved by zoning staff. Vacation approval shall be required in order to either erase some or all of an easement or right of way."

As stated in the findings for Canyon County code section 07-17-35(2), the request for this easement vacation is being executed in accordance with provisions of state code. In accordance with state code, the vacation, if approved, shall be done by resolution of the Board of County Commissioners (Idaho Code Section 50-1324).

(2) A notice was sent to the City of Nampa per Canyon County Code Section 09-11-25(1) and 09-11-17(3). The City did not have any comments (Staff Report Exhibit C4). Pursuant to CCZO §09-11-17, Canyon County may proceed without the recommendation of the city of Nampa.

(3) Evidence includes the application, supporting materials submitted by the applicant, public testimony, and the staff report with exhibits found in Case No. VAC2024-0001.

Order

Based upon the Findings of Fact, Conclusions of Law and Order contained herein, the Planning and Zoning Commission recommends **approval** of Case # VAC2024-0001, a vacation of a fire access easement.

Staff Members Present: Jay Gibbons, Director of Development Services
Dan Lister, Principal Planner
Michelle Barron, Principal Planner
Emily Bunn, Associate Planner
Madelyn Vander Veen, Associate Planner
Amber Lewter, Associate Planner
Caitlin Ross, Hearing Specialist

Chairman Sturgill called the meeting to order at 6:33 p.m.

Commissioner Nevill read the testimony guidelines and proceeded to the first business item on the agenda.

Item 1: Consent Agenda

- A. December 19, 2024 MINUTES
- B. January 16, 2025 MINUTES
- C. Case No. RZ2022-0016 – Goodwin: Approve revised FCO's
- D. Case No. CR2023-0005 – Bowery: Approve revised FCO's
- E. Case No. CU2022-0008 – Tellez: Approve revised FCO's

Motion: Commissioner Sheets moved to approve the Consent Agenda, seconded by Commissioner Mathews. Voice vote, motion carried.

Item 2A:

Case CR2022-0031 - Werhane: The applicant, William and Gena Werhane, is requesting a conditional rezone of Parcels R33590012B and R33590012C, approximately 8.93 acres, to amend the County zoning map from an "A" (Agricultural) Zone to a "CR-C-1" (Conditional Rezone – Neighborhood Commercial) Zone. The request includes a development agreement. The property is located at 0 Hwy 55, Caldwell, southeast of the Hwy 55/Sunny Slope Road and Churruca Lane intersection.

On March 20, 2025, the case was proposed to be tabled to a date certain of May 15, 2025.

MOTION: Commissioner Sheets moved to **continue** Case No. CR2022-0031 to a date certain of May 15, 2025, seconded by Commissioner Mathews. Voice vote, motion carried.

Item 2B:

Case No. VAC2024-0001 - Thueson: The applicant, Lance Thueson, represented by Becky Yzaguirre of Ardurra, is requesting a vacation of a fire access easement in Lot 10 Block 1 of Castleton Place Subdivision. There is now another access to the subdivision from Lewis Lane through Jack's Place Subdivision. The subject property is located at 1002 Huntington Court, also referenced as Parcel R29411109.

Chairman Sturgill called the applicant to testify.

Becky Yzaguirre – (Representative) IN FAVOR – 332 Broadmore Way, Nampa, ID 83687

Ms. Yzaguirre explained the request of a vacation of a 20-foot fire access easement located in the Castleton Place Subdivision. She further explained the accesses to the subdivision. Ms. Yzaguirre noted a letter from the Nampa Fire District stating they did not need the plat note and approved the removal of the easement.

Commissioner Nevill asked how the change would affect the average lot size. Ms. Yzaguirre explained it does not change the lot size since the plat has already been recorded, and now that the permanent secondary access has been provided, it is now buildable based on the requirements of the approved plat.

Planner Madelyn Vander Veen reviewed the Staff Report for the record.

Chairman Sturgill asked when the plat was approved and what the county regulations were for the size of the lots in a rural residential zone. Planner Vander Veen stated the minimum lot sizes used to be smaller, so either the plat was approved and the area was later rezoned to rural residential, or the plat was approved during a time when the rural residential zoning allowed the smaller lot sizes. Chairman Sturgill asked what the average lot size is for this subdivision, to which Planner Vander Veen did not know.

MOTION: Commissioner Sheets moved to close public testimony on Case No. VAC2024-0001, seconded by Commissioner Matthews. Voice vote, motion carried.

Deliberation:

None.

MOTION: Commissioner Sheets moved to **recommend approval** for Case No. VAC2024-0001, seconded by Commissioner Matthews.

Discussion on the Motion:

None.

Roll call vote: 4 in favor, 0 opposed, motion passed.

Item 2C:

Case No. CU2024-0003 - Garman: Kris Garman requests a conditional use permit for a special events facility of approximately 16.15 acres in the "A" Agricultural Zone. The subject property is located at 26117 Lower Pleasant Ridge Rd, Wilder ID 83676 also referenced as Parcels R37158, R37157010, and R37157010D.

Chairman Sturgill called the applicant to testify.

Kristina Garman – (Applicant) IN FAVOR – 26117 Lower Pleasant Ridge Rd, Wilder, ID 83676

Ms. Garman is requesting a conditional use permit to be able to generate income from the partially viable

agricultural area on her property. Ms. Garman explained the history of Garman Hill and their wishes to keep the area in the family in the future. She further explained she believes their property aligns with the 2030 Comprehensive Plan and does not believe there would be any negative impact or disruption on public services or nearest major roads. In working with the Wilder Fire District and Idaho Transportation Department, there did not seem to be a need for a traffic impact study. There would be sufficient utilities and parking provided based on the events, which are geared to preserve the essence of the land with shared events from the community. Their plan is to be able to run year-round, weather permitting, while providing smaller, more personal events during the "off" seasons. Ms. Garman explained that any surrounding neighbors that this would affect are all in support of this application, and went into further detail of the parking situation compared to the event area.

Ms. Garman's ten (10) minutes of testimony expired.

MOTION: Commissioner Sheets moved, seconded by Commissioner Mathews to give Ms. Garman three (3) minutes of additional testimony. Voice vote, motion carried.

Ms. Garman continued with addressing concerns regarding conditions 15, 16, 18, and 21-27, explaining requirements that have already been met and requesting either removal or rewording of some of these conditions.

Chairman Sturgill clarified which conditions needed further evaluation.

Commissioner Nevill asked why condition 23 should be removed. Ms. Garman explained there is plenty of space and parking to accommodate 400-600 people, and believes as a business owner, it is her responsibility to comply with the restrictions of attendees and does not believe ticketing is appropriate. Commissioner Nevill also clarified the reasoning of changing/removing conditions 24 and 25. There was also discussion regarding the hard restrictions of condition 27. Commissioner Nevill reassured the applicant and explained the reasoning behind the strictness of this condition. Commissioner Nevill asked for clarification of traffic navigating to Hwy 95 after an event, and Ms. Garman explained there would be sufficient direction as needed and an alternative, safer route to Hwy 95. Commissioner Nevill asked about emergency services. Ms. Garman stated the Nampa Fire Department Assistant Chief has written a letter of support for access on and off the property if needed.

Commissioner Sheets asked if there would ever be an issue with traffic backing up on Lower Pleasant Ridge Rd to the highway, and Ms. Garman explained the low risk of that with their plan to route any vehicles coming onto the property, and their primary goal of not letting the traffic get backed up on Lower Pleasant Ridge Rd.

Chairman Sturgill asked if the parking spaces were paved or dirt, and Ms. Garman answered it was a grass parking lot. Chairman Sturgill asked how it drains compared to elevation and if standing water was expected. Ms. Garman stated to the west, and there would not be standing water in the parking lot. Chairman Sturgill wanted to clarify why some conditions were requested to be removed as they were covered in other codes, to which Ms. Garman stated it was just her personal comment to have them removed, and it would not get in the way of her business. Chairman Sturgill clarified the distance between the applicant's property and the next nearest property and that the subdivision to the northwest is downhill from their property. He also asked about the potential issue of sound complaints, to which Ms. Garman agreed if a future owner were to bring in bigger amplifiers, then the neighbors may file a code compliance complaint at that point. Chairman Sturgill asked how the applicant would propose mitigating a high volume of traffic leaving at once after an event, and Ms. Garman gave an example of a plan.

Planner Emily Bunn reviewed the Staff Report for the record.

Commissioner Nevill asked for clarification on the changes to condition 20. Planner Bunn explained her conversation with Code Enforcement in wanting the condition to clearly state despite the number of events per week, the overall number of events per year has to stay at or below 59. There was also clarification on the conditional use permit being tied to the property owner, and condition 5 regarding Southwest District Health's recommendations on the number of porta-potties and frequency of pumping and maintenance. Commissioner Nevill asked about the distance of the eastern entrance to Hwy 95. Planner Bunn stated Planner Michelle Barron quoted 215 feet. There was further discussion on parking and circulation plans.

Commissioner Mathews clarified that the prior property divisions would not affect approval of the conditional use permit. Planner Bunn explained the one parcel to the west would have a residential building permit and the other to the northeast would be designated as agricultural only.

Chairman Sturgill confirmed a condition could be added regarding signage/flags. Chairman Sturgill asked about emergency services response times. Planner Bunn did not indicate any comments regarding response times from emergency services.

Chairman Sturgill affirmed the witnesses to testify.

Testimony:

Nicole Keller – IN FAVOR – 9165 N Bullwinkle Ln, Eagle, ID 83616

Ms. Keller stated she is showing support from the vendor side, explaining that her vendor in the wedding industry is very versed in helping wedding venues stay compliant with parking, noise compliance, etc.

JoAnn Maupin – IN FAVOR – 20031 Hwy 95, Wilder, ID 83676

Ms. Maupin lives across the road from the applicant and gives full support and has no problems with the venue.

Chairman Sturgill asked if amplified music 5 days a week until 11 pm was an issue, to which Ms. Maupin answered she had no problems with that.

Sam Maupin – IN FAVOR – 20031 Hwy 95, Wilder, ID 83676

Mr. Maupin agreed with the prior testimony, and stated they hear more noise from the City of Wilder than they do the applicants' property. There is easy access with no issues with people pulling in and out.

Rose Leist – IN FAVOR – 82 N Boundary St, Nampa, ID 83651

Ms. Leist was recently hired as the venue manager for Garman Hill and is in full support of the applicant. She believes the applicant has a good commitment with being compliant while giving an opportunity for the community to enjoy the space and the nature around it. They are not looking to have an event every day of the week, but rather wish to maintain the pristineness of the land while supporting the community.

Shiloh Webb – IN FAVOR – 25954 Jacks Rd, Parma, ID 83660

Mr. Webb fully supports local businesses and looks forward to having this area as a potential venue.

Lauren Garman – IN FAVOR – 26117 Lower Pleasant Ridge Rd, Wilder, ID 83676

Ms. Garman is excited for her mother to have this passion project. Her goal is to bring the community together while providing a safe place for everyone to get together and have a good time. She believes this

is a great opportunity for young adults to gather rather than bars and fully supports this endeavor.

Sherry Jetton – IN OPPOSITION – 27255 Lower Pleasant Ridge Rd, Wilder, ID 83676

Ms. Jetton expressed concerns regarding the lack of employees, the number of attendees and traffic concerns, the number of events per week, turnarounds for emergency services, and hours of operation.

Commissioner Nevill asked if 450 attendees was better than 600. Ms. Jetton stated that that many people for longer stretches of days is too much, aside if it were a smaller community event, and the noise and traffic flow were the highest concerns. Commissioner Nevill clarified that the concerns about the number of people and the number of events were of equal significance.

Josh Jetton – IN OPPOSITION – 27255 Lower Pleasant Ridge Rd, Wilder, ID 83676

Mr. Jetton agreed with his wife's testimony, and further expressed concerns about the basement being turned into a second residence, the traffic increase heading west on Lower Pleasant Ridge Rd, and the lack of notification to some of the residence in the subdivision west of the property. He noted the fire department was voluntary and closer to 2 miles away, although the response time is quick.

Jeff Schnell – IN OPPOSITION – 20194 Silver Spur Dr, Wilder, ID 83676

Mr. Schnell represents and is a resident of Apple Hills Subdivision that was not contacted. He expressed concerns regarding the speed limit on Lower Pleasant Ridge Rd, access issues for emergency services, and the previous violation regarding amplified music, especially on their busier Wednesday events.

Commissioner Sheets clarified that the sound went past 10 pm on one of their Wednesday evenings, and Mr. Schnell stated he thought it was someone intoxicated discussing their life plans.

Commissioner Nevill confirmed the street people could potentially cut through to get to Batt Corner Rd off of Lower Pleasant Ridge Rd.

Kristina Garman – (Applicant) REBUTTAL – 26117 Lower Pleasant Ridge Rd, Wilder, ID 83676

Ms. Garman addressed the concerns regarding emergency plans and traffic flow. She is open to discussing writing out and submitting an emergency plan. She also made a note that the number of employees that was discussed did not count the hired vendors. Ms. Garman further explained the event facility does not draw from domestic water and the basement residence would not raise issues with amenities, and the only building permits that would be required would be for their shop and daylight basement. She stated there were 23 letters mailed for the neighborhood meeting, 8 of which were on Silver Spur, and concerns raised by the only 2 that attended were adapted into the overall plan of the facility. She also addressed no concerns of anyone needing to use the subdivision as access to or from the property, that there is adequate parking, and the fire station has a high response time with only being 1.3 miles away.

Commissioner Sheets brought up the domestic water statement, to which Ms. Garman stated water bottles would be provided through vendors, and it was further clarified that it would be very minimal water usage for any dust mitigation or guests staying at the Air B&B.

Commissioner Nevill asked what would happen to the land if this application was not approved. Ms. Garman answered she would have to sell it, but her goal is to look for other ways to utilize the land. Commissioner Nevill asked if this event venue would add to the agricultural way of life, to which Ms. Garman stated she believes it would because they have a very intentional business plan to support local and the community as much as possible.

Commissioner Mathews mentioned the prior testimony on moving the speed limit sign, and Ms. Garman said she would fully support that.

Chairman Sturgill asked if the applicant would be amendable to adding a condition regarding permanent direction arrows. Ms. Garman stated she would be opposed since these signs would be in her yard, but that she takes full responsibility of ensuring the area is roped off and signed when appropriate. It was agreed that the condition could state traffic signs and arrows need to be placed for every event. Chairman Sturgill asked if having the conditional use permit tied to the property rather than the applicant was a deal breaker. Ms. Garman explained that she would want to get the full investment from the property as she has spent a great deal of time and money investing on this property.

Planner Bunn confirmed the requirements for the discussions regarding water, sewer, and signage.

MOTION: Commissioner Sheets moved to close public testimony on Case No. CU2024-0003, seconded by Commissioner Matthews. Voice vote, motion carried.

Deliberation:

There were discussions on condition 5 regarding frequency of pumping and maintenance of porta-potties, condition 8 regarding building permits and certificates of occupancy, condition 13 regarding a dust mitigation plan, condition 15 regarding temporary signage for events, condition 18 regarding number of days of events per year, condition 20 regarding the number of events per week, conditions 21 and 22 regarding rental agreements, condition 23 regarding ticketing, condition 24 regarding guest counts, and condition 27 regarding the conditional use permit attached to the property owner, with an addition of condition 28 to have a written emergency plan created and submitted.

MOTION: Commissioner Sheets moved to **approve** Case No. CU2024-0003, adopting the FCOs that the application does meet criteria, with amendments to conditions 5, 8, 13, 15, 18, 20-22, 24, 27 and 28, seconded by Commissioner Nevill.

Discussion on Motion:

Commissioner Nevill commented that this was a good way to preserve the agricultural way of life. He believes the conditions are adequate in mitigating the concerns of the neighbors.

Roll call vote: 4 in favor, 0 opposed, motion passed.

Commissioner Dorsey was sworn in at 9:13 p.m.

Item 2D:

Case No. RZ2022-0012 - McGuire: The applicant, William B. McGuire, represented by Bristlecone Land Use Consulting, requests a Zoning Map Amendment (rezone) of Parcel R32862, approximately 63 acres, from an "A" (Agricultural) zone to an "R-1" (Single Family Residential) zone. The subject property is located at 15453 Karcher Rd, also referenced as Parcel R32862, R32862010.

Chairman Sturgill called the applicant to testify.

Elizabeth Allen – (Representative) IN FAVOR – 1330 Williams Lane, Nampa, ID 83686

Ms. Allen explained the purpose of their application, and mentioned the preliminary plat will be forthcoming. According to the comprehensive plan, this area has been and is identified as residential, and Canyon County has already exceeded the proposed population of 257,000, so the plan will help meet the housing goals. The surrounding land uses and character of the area are primarily residential, and the

proposed 1-acre single-family residences will blend in with the existing surrounding areas. Facilities and services, which will be further explained during the platting process, are sufficient, with individual septic and wells, and services from Idaho Power and Intermountain Gas. Legal access already exists and traffic impact studies have already been approved by Idaho Transportation Department, with a right of way dedicated for the Hwy 55 expansion. Public services are also adequate and available.

Commissioner Nevill asked for clarification on the Hwy 55 expansion. Ms. Allen explained there would be 5 lanes total, but more details would be addressed during the platting process regarding access from Hwy 55 onto the property. Commissioner Nevill asked if the property to the northwest was a land trust, to which Ms. Allen was unsure. Commissioner Nevill asked what the timeframe was for Caldwell services. Ms. Allen said there is a water line in the area, but it would take a couple of years to be able to connect to it due to infrastructure improvement, and sewer is 1.5 miles away. Commissioner Nevill clarified that future homeowners would have to agree to connect to the city services.

Chairman Sturgill read a letter from Vallivue School District regarding school capacity concerns, and asked if school services are available for this application. Ms. Allen noted that as of right now, this is just an application for a rezone, and future details would be covered during the plat, but she believes there would still be adequate services. Chairman Sturgill asked if the applicant had any conversations with the school district regarding crowding issues, and Ms. Allen did not know if they had.

Principal Planner Dan Lister reviewed the Staff Report for the record.

Commissioner Sheets asked if a rezone with access to city services was with 12,000 sq. ft lots. Planner Lister answered yes, 12,000 feet was the minimum unless a plan unit development, or a conditional use permit, was applied for to modify it for smaller lot sizes.

Commissioner Nevill clarified that this was a different group asking for this request than some prior that got approved subdivisions that did not go through. Commissioner Nevill inquired on the fire fighting water plans. Planner Lister mentioned that this would be discussed during the platting process, and explained what the typical requirements would be. Commissioner Nevill also got clarification on a property northwest of the applicant's property, and that it was conditionally rezoned for a community convenience area with future city connection.

Commissioner Mathews asked about the access to the platted subdivision south of the applicant that has agricultural land between each parcel. Planner Lister explained the stubs for access to each property, with the agricultural parcel's access from Kimball.

Chairman Sturgill confirmed there was no indication of response time for emergency services.

Chairman Sturgill affirmed the witnesses to testify.

Testimony:

Tom Whittemore – IN OPPOSITION – 15220 Castle Way, Caldwell, ID 83607

Mr. Whittemore expressed concerns regarding water usage and fire protection, the lack of plans when widening Hwy 55 for a new access into the new subdivision, per a conversation with the construction company, Knife River, and the opposition of access coming off of Castle Way or Fiesta Way.

Commissioner Mathews confirmed that the conversation with Knife River excluded any plans for access onto this property from Hwy 55.

Howard Spry – IN OPPOSITION – 15141 Vanita Ct, Caldwell, ID 83607

Mr. Spry also expressed concerns about the potential increase in water usage.

Commissioner Nevill asked if it would be better if there were fewer houses with individual wells, or a higher density that is connected to city water. Mr. Spry indicated he would prefer to not lose his water supply if houses came in with their own wells.

Harry Ballance – IN OPPOSITION – 15596 Moonlight Dr, Caldwell, ID 83607

Mr. Ballance expressed concerns regarding less than 1-acre lots, water, ingress/egress through the surrounding subdivisions, and habitat being ruined. He requested not to go any smaller than 1-acre lots.

Elizabeth Allen – (Representative) REBUTTAL – 1330 Williams Lane, Nampa, ID 83686

Ms. Allen addressed the concerns regarding connection to the city services, the size of lots, and the additional pressure to public services if the lots were any smaller than 1-acres. She also addressed the topic of access, stating there would be access from Hwy 55 and Vista Dr, only creating access on public roads. Ms. Allen stated there has always been a concern with wells, and noted wells do need properly maintained as they get closer to the 20-30-year lifespan. She reiterated that a lot of these concerns would be addressed during the platting process, and that this is simply just the rezoning for the property.

Commissioner Nevill what the ability to farm this parcel was. Ms. Allen said the property is currently being farmed, but with challenges. Commissioner Nevill brought up the concern about the Deer Flat National Wildlife Refuge, to which Ms. Allen commented the boundary is around the lake, and this specific area shouldn't have as big of an impact.

Planner Lister clarified how many lots could become available if adhering to the 12,000 sq. ft size.

Chairman Sturgill asked if there were any conversations regarding a conditional rezone versus a straight rezone, to which Planner Lister commented on the several occasions that topic was discussed.

Commissioner Dorsey asked for clarification of accesses. Planner Lister explained the stubs and access points, which could alleviate higher traffic pressure. The applicant has been working very closely with ITD to ensure access off Hwy 55.

MOTION: Commissioner Sheets moved to close public testimony on Case RZ2022-0012, seconded by Commissioner Mathews. Voice vote, motion carried.

Deliberation:

Commissioner Mathews expressed concerns about waiting too long to receive City input, and would like to condition this application if possible.

Commissioner Sheets talked about the potential of smaller sized lots, regardless of the applicant's intent. He would also prefer a conditional rezone. Commissioner Mathews agreed.

Commissioner Nevill agreed with Commissioners Sheets and Mathews, and will not support a straight rezone. Commissioner Dorsey also agreed.

There was discussion on the benefits of denying versus continuing this case. If tabled, a revised application and re-noticing would be required.

MOTION: Commissioner Nevill moved to **continue** Case No. RZ2022-0012 to a date uncertain, seconded by Commissioner Sheets.

Discussion on Motion:

Commissioner Sheets addressed concerns on the density, water and sewer sources, and access to Hwy 55.

Commissioner Nevill added clarification on public services.

Roll call vote: 4 in favor and 1 opposed. Motion passed.

3. DIRECTOR, PLANNER, COMMISSION COMMENTS:

Director of Development Services Jay Gibbons announced Josh Johnson as the new Assistant Director, and talked about planner positions being filled. There was discussion on the upcoming April 3, 2025 hearing and the comp plan to prioritize ordinances with upcoming workshops.

Commissioner Dorsey asked about the rumors of administrative splits, and there was discussion on this topic.

Commissioner Sheets asked about the new Hearing Examiner. Director Jay Gibbons talked about the new Hearing Examiner and the process of the hearings that are being worked through, including which cases will go to the Hearing Examiner versus Planning & Zoning.

4. ADJOURNMENT:

MOTION: Commissioner Sheets moved to adjourn, seconded by Commissioner Nevill. Voice vote, motion carried. Hearing adjourned at 10:41 P.M

An audio recording is on file in the Development Services Departments' office.

Approved this 15th day of May, 2025

PLANNING DIVISION STAFF REPORT

CASE NUMBER: VAC2024-0001

APPLICANT/REPRESENTATIVE: Becky Yzaguirre (Ardurra)
PROPERTY OWNER: Lance Thueson

APPLICATION: Plat Vacation – Vacating a fire access easement

LOCATION: The parcel is located at 1002 Huntington Court, Nampa; also referenced as Castleton Subdivision Lot 10 Block 1 also referenced as Parcel R29411109, a portion of the SE quarter of Section 10, T2N, R2W, BM, Canyon County, Idaho.

ANALYST: Madelyn Vander Veen, Associate Planner
REVIEWED BY: Dan Lister, Principal Planner

REQUEST:

The applicant, Lance Thueson, represented by Becky Yzaguirre of Ardurra, is requesting a vacation of a fire access easement in Lot 10 Block 1 of Castleton Place Subdivision. There is now another access to the subdivision from Lewis Lane through Jack's Place Subdivision.

1. BACKGROUND:

The easement, which is proposed to be vacated, appears to have been created so that there would be a secondary access for the fire district in case of an emergency besides Castleton Avenue. It is called out as a "20' Paved Fire Access Easement", although the portion on the subject parcel was never paved. The easement runs from Huntington Court through both the subject parcel (Lot 10 Block 1; R29411109) to the lot to the north containing a church (Lot 1 Block 1; R29411100) to Ruth Lane, a public road.

Note 2 on the plat states, “Lot 10 Block 1 shall remain a non-build lot until a second permanent access point to Castleton Subdivision is provided.” This note has been satisfied because Castleton Avenue has been extended through to Lewis Lane via E. Crab Springs Street and S. Rowee Avenue. This plat vacation was still necessary to remove the easement because there is no indication on the plat that the easement is related to Note 2.

At the time that Castleton Place Subdivision was platted, Castleton Avenue was a stub road on the south end since the property to the south had not yet been developed. Jack’s Place Subdivision has now been approved and recorded (**Exhibit B2.4**) and improvements such as the extension of Castleton Avenue being built out have been completed (**Exhibit B2.5**).

2. HEARING BODY ACTION:

Pursuant to the Canyon County Code of Ordinances (CCCO) §07-17-35 (Subdivision/Easement Vacations), the application shall be considered by the commission at a public hearing noticed as provided for in article 5 of this chapter. Vacations shall be processed in accord with the regulations set forth in Idaho Code section 50-1306A and recorded in accord with the regulations set forth in Idaho Code section 50-1324. The commission shall review the request and any agency response and make a recommendation to the Board for approval, conditional approval or denial.

Pursuant to Idaho Code section 50-1306A (Vacation of Plats – Procedure), any person, persons, firm, association, corporation or other legally recognized form of business desiring to vacate a plat or any part thereof must petition the city council if it is located within the boundaries of a city, or the county commissioners if it is located within the unincorporated area of the county. Such petition shall set forth particular circumstances of the requests to vacate; contain a legal description of the platted area or property to be vacated; the names of the persons affected thereby, and said petition shall be filed with the city clerk.

Written notice of public hearing on said petition shall be given by first class mail, certified mail, or certified mail with return receipt at least ten (10) days prior to the date of public hearing to all property owners within three hundred (300) feet of the boundaries of the area described in the petition. Such notice of public hearing shall also be published once a week for two (2) successive weeks in the official newspaper of the city, the last of which shall be not less than seven (7) days prior to the date of said hearing.

When the procedures set forth herein have been fulfilled, the city council may grant the request to vacate with such restrictions as they deem necessary in the public interest.

If a petition to vacate is brought before county commissioners, and the plat or part thereof that is the subject of the petition is located within one (1) mile of the boundaries of any city, the county commissioners shall cause written notice of the public hearing on the petition to be given to the mayor or chief administrative officer of the city by regular mail at least thirty (30) days prior to the date of public hearing.

OPTIONAL MOTIONS:

Recommend Approval of the Application: “I move to recommend that the Board of County Commissioners approve VAC2024-0001, Thueson, finding the application **does** meet the criteria for approval under Article 07.07.05 of Canyon County zoning Regulations, **with the conditions listed in the staff report, finding that** *[cite reasons for approval & insert any additional conditions of approval]*.”

Recommend Denial of the Application: “I move to recommend that the Board of County Commissioners deny VAC2024-0001, Thueson, finding the application **does not** meet the criteria for approval under Article 07.06.05 of Canyon County zoning Regulations, **finding that** *[cite findings for denial based on the express standards outlined in the criteria & the actions, if any, the applicant could take to obtain approval (ref.ID.67-6519(5))]*.

4. AGENCY COMMENTS:

Agencies including the Canyon County Sheriff's Office, Canyon County Paramedics/EMT, Nampa Fire Protection District, State Fire Marshal, Nampa-Meridian Irrigation District, Boise Project Board of Control, Nampa Highway District, Nampa School District, Idaho Power, Intermountain Gas, CenturyLink, Ziply, Canyon County Building Department, Canyon County Code Enforcement Department, Canyon County Engineering Department, Canyon County GIS Department, Southwest District Health, and the City of Nampa were notified of the subject application.

Staff received agency comments from Nampa Fire District, Southwest District Health, Nampa Highway District No. 1, City of Nampa, Idaho Power, Nampa Meridian Irrigation District, and Department of Environmental Quality. All agency comments received by the aforementioned materials deadline are located in **Exhibit D**.

Pursuant to Canyon County Ordinance 01-17-07B Materials deadline, the submission of late documents or other materials does not allow all parties time to address the materials or allow sufficient time for public review. After the materials deadline, any input may be verbally provided at the public hearing to become part of the record.

5. PUBLIC COMMENTS:

Staff received no written public comments by the materials deadline of March 10, 2025.

Pursuant to Canyon County Ordinance 01-17-07B Materials deadline, the submission of late documents or other materials does not allow all parties time to address the materials or allow sufficient time for public review. After the materials deadline, any input may be verbally provided at the public hearing to become part of the record.

6. SUMMARY & RECOMMENDED CONDITIONS:

In consideration of the application and supporting materials, staff concludes that the proposed plat vacation is **compliant** with Canyon County Ordinance 07-17-35. A full analysis is detailed within the staff report. There are no recommended conditions at this time, but if the Board of County Commissioners approves the request, the applicant will need to provide certification from the County Treasurer that all taxes due are paid prior to the Board of County Commissioners signing a resolution with a record of survey showing the vacated easement.

SUBJECT: Vacation of Easement | Castleton Place Subdivision

Dear Canyon County Staff and Commission Members,

On behalf of Lance Thueson LLC, please accept our application for an Easement Vacation in the Castleton Place Subdivision, specifically for Lot 10, Block 1, located at 1002 Huntington Ct. (Parcel number: R294111000) in Nampa, Idaho.

The Castleton Place Subdivision, recorded in 2006, included a Fire Access Easement on Lot 10, Block 1, to serve as a secondary fire access point until a permanent access was established. This easement, noted on the Preliminary Plat, was meant to provide a secondary access point for the Castleton Subdivision. Note 2 on the Preliminary Plat states, "Lot 10 Block 1 shall remain a non-build lot until a second permanent access point to Castleton Subdivision is provided." Recently, the Final Plat for Jack's Place Subdivision Phase One was recorded, formalizing the secondary access for the subdivision. Since the recording of the Castleton Final Plat and the implementation of the secondary access, the easement on Lot 10, Block 1, that has not previously been utilized is no longer necessary. We are requesting the vacation of this easement to allow for obtaining a building permit for a future homesite on the lot.

Please don't hesitate to let me know if I can provide additional information to clarify this requested vacation of easements. I can be reached via email at Bbyzaguirre@ardurra.com or by phone at 208.323.2288.

Thanks,

Becky Yzaguirre

APPROVAL OF SOUTHWEST DISTRICT HEALTH

Sanitary restrictions as required by Idaho Code, Title 50, Chapter 13, have been satisfied based on the DEC approval of the design plans and specifications and the restrictions imposed thereon. Buyer is cautioned that at the time of this approval, no drinking water or sewer/septic facilities were constructed. Building construction can be allowed with appropriate building permits if drinking water or sewer facilities have since been constructed or if the developer is simultaneously constructing those facilities. If the developer fails to construct facilities or meet the other conditions of DEC, then sanitary restrictions may be reimposed, in accordance with Section 50-1326, Idaho Code, by the issuance of a certificate of disapproval, and no construction of any building or shelter requiring drinking water or sewer/septic facilities shall be allowed.

RE: Castleton Place Subdivision Easement Vacation

Nampa Fire District has reviewed the request to remove the non-build plat note for Lot 10, Block 1 of the Castleton Place Subdivision. The non-build was intended for a temporary emergency access road until a full secondary connection was made for the subdivision.

Castleton Avenue now extends from Ruth Ln to E Lewis Ln, eliminating the need for the secondary Emergency Access on Lot 10 Block 1.

Nampa Fire District approves the removal of Plat Note 2 regarding the non-build.

Please contact me if you have any questions.

Ron Johnson

MODIFICATION OF DEED OF TRUST

THIS MODIFICATION OF DEED OF TRUST dated December 23, 2009, is made and executed between Lance Thueson LLC, an Idaho Limited Liability Company, whose address is 455 S. Kings Road, Nampa, ID 83687 ("Grantor") and Intermountain Community Bank, whose address is Canyon County Business Banking Center, 506 S Tenth Avenue, Caldwell, ID 83605 ("Lender").

DEED OF TRUST. Lender and Grantor have entered into a Deed of Trust dated April 4, 2008 (the "Deed of Trust") which has been recorded in Canyon County, State of Idaho, as follows:

Recorded April 7, 2008 in the Office of the County Recorder as Instrument No. 2008018730.

REAL PROPERTY DESCRIPTION. The Deed of Trust covers the following described real property located in Canyon County, State of Idaho:

Lots 4, 6, 10, 12, 13, 14, 17, 19, 20, 23, 24 and 25, Block 1;

Lots 3 and 7, Block 2 and

Lots 2, 6, 11 and 13, Block 3, CASTLETON PLACE SUBDIVISION, according to the plat thereof, filed in Book 39 of Plats at Page 30, records of Canyon County, Idaho.

The Real Property or its address is commonly known as NNA, Nampa, ID 83686.

MODIFICATION. Lender and Grantor hereby modify the Deed of Trust as follows:

The legal description is hereby modified to include: Lot 10, Block 1; further described in the full Legal Description above.

CONTINUING VALIDITY. Except as expressly modified above, the terms of the original Deed of Trust shall remain unchanged and in full force and effect. Consent by Lender to this Modification does not waive Lender's right to require strict performance of the Deed of Trust as changed above nor obligate Lender to make any future modifications. Nothing in this Modification shall constitute a satisfaction of the promissory note or other credit agreement secured by the Deed of Trust (the "Note"). It is the intention of Lender to retain as liable all parties to the Deed of Trust and all parties, makers and endorers to the Note, including accommodation parties, unless a party is expressly released by Lender in writing. Any maker or endorser, including accommodation makers, shall not be released by virtue of this Modification. If any person who signed the original Deed of Trust does not sign this Modification, then all persons signing below acknowledge that this Modification is given conditionally, based on the representation to Lender that the non-signing person consents to the changes and provisions of this Modification or otherwise will not be released by it. This waiver applies not only to any initial extension or modification, but also to all such subsequent actions.

GRANTOR ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS MODIFICATION OF DEED OF TRUST AND GRANTOR AGREES TO ITS TERMS. THIS MODIFICATION OF DEED OF TRUST IS DATED DECEMBER 23, 2009.

NOTES

1) A PERMANENT EASEMENT FOR PUBLIC UTILITIES, DRAINAGE AND PRESSURE IRRIGATION IS HEREBY DESIGNATED, AS FOLLOWS, UNLESS OTHERWISE DIMENSIONED:

- 12' WIDE ALONG THE SUBDIVISION BOUNDARY
 - 10' WIDE ALONG THE FRONTAGE OF EACH LOT OR PUBLIC RIGHT-OF-WAY
 - 10' WIDE ALONG THE REAR LOT LINES WHERE IT IS NOT A SUBDIVISION BOUNDARY
 - 5' WIDE ALONG EACH SIDE OF THE INTERIOR LOT LINES
- ALL EASEMENTS ARE AS SHOWN ON THIS PLAT.

2) THIS DEVELOPMENT RECOGNIZES IDAHO CODE SECTION 22-4503, RIGHT TO FARM ACT, WHICH STATES: "NO AGRICULTURAL OPERATION, AGRICULTURAL FACILITY OR EXPANSION THEREOF SHALL BE OR BECOME A NUISANCE, PRIVATE OR PUBLIC, BY ANY CHANGED CONDITIONS IN OR ABOUT THE SURROUNDING NONAGRICULTURAL ACTIVITIES AFTER IT HAS BEEN IN OPERATION FOR MORE THAN ONE (1) YEAR, WHEN THE OPERATION, FACILITY OR EXPANSION WAS NOT A NUISANCE AT THE TIME IT BEGAN OR WAS CONSTRUCTED. THE PROVISIONS OF THIS SECTION SHALL NOT APPLY WHEN A NUISANCE RESULTS FROM THE IMPROPER OR NEGLIGENT OPERATION OF AN AGRICULTURAL OPERATION, AGRICULTURAL FACILITY OR EXPANSION THEREOF."

3) IRRIGATION WATER WILL BE PROVIDED BY NAMPA & MERIDIAN IRRIGATION DISTRICT IN COMPLIANCE WITH IDAHO CODE SECTION 31-3805(B.1). ALL LOTS WITHIN THIS SUBDIVISION WILL BE ENTITLED TO WATER RIGHTS, AND WILL BE OBLIGATED FOR ASSESSMENTS FROM NAMPA & MERIDIAN IRRIGATION DISTRICT.

4) ANY RESUBDIVISION OF THIS PLAT SHALL COMPLY WITH THE APPLICABLE REGULATIONS IN EFFECT AT THE TIME OF THE RE-SUBDIVISION.

5) NO PERMANENT STRUCTURES SHALL BE LOCATED CLOSER THAN SEVENTY (70) FEET TO ANY SECTION LINE. UNLESS THE HIGHWAY DISTRICT WAIVES THE SEVENTY (70) FEET SETBACK REQUIREMENT.

6) LOT 1, BLOCK 1, LOTS 1 & 2, BLOCK 2, LOT 7, BLOCK 3, LOTS 3, 13 & 15, BLOCK 5, AND LOT 1, BLOCK 6 ARE COMMON LOTS FOR THE PURPOSE OF OPEN SPACE AND IRRIGATION LINE(S). SAID LOT(S) ARE TO BE OWNED AND MAINTAINED BY THE HOMEOWNERS ASSOCIATION. THESE LOTS ARE SUBJECT TO A BLANKET PUBLIC UTILITIES, DRAINAGE AND PRESSURE IRRIGATION EASEMENT.

7) LOT 1, BLOCK 2 IS SUBJECT TO A BLANKET EASEMENT FOR THE OPERATION AND MAINTENANCE OF THE S. ROBINSON LATERAL IN FAVOR OF THE BOISE PROJECT BOARD OF CONTROL.

8) LOTS 1 & 2, BLOCK 5 ARE SUBJECT TO AN EASEMENT IN FAVOR OF THE NAMPA & MERIDIAN IRRIGATION DISTRICT FOR THE OPERATION AND MAINTENANCE OF THE HERON LATERAL. SEE LICENSE AGREEMENT - INSTRUMENT NO. 2021-063351, RECORDS OF CANYON COUNTY, IDAHO.

9) LOTS 13 AND 15, BLOCK 5 ARE SUBJECT TO AN EXISTING SEWER LINE EASEMENT RECORDED AS INSTRUMENT NO. 2017-004245, RECORDS OF CANYON COUNTY, IDAHO, AS DELINEATED AND REFERENCED.

10) STORM DRAINAGE FACILITIES OUTSIDE THE PUBLIC RIGHT-OF-WAY SHALL BE THE RESPONSIBILITY OF THE HOMEOWNER'S ASSOCIATION OR PROPERTY OWNER ON WHICH THE STORM DRAINAGE FACILITY IS CONSTRUCTED IF NO HOMEOWNER'S ASSOCIATION EXISTS. RESPONSIBILITY FOR STORM DRAINAGE FACILITIES INCLUDES ALL MAINTENANCE, BOTH ROUTINE AND NON-ROUTINE.

11) NO NEW DEVELOPMENT OR REDEVELOPMENT OF LAND MAY DISCHARGE STORM WATER ONTO HIGHWAY DISTRICT RIGHT-OF-WAY OR INTO THE DISTRICT'S MUNICIPAL SEPARATE STORM SEWER SYSTEM.

12) NO ACCESS SHALL BE ALLOWED TO LAND IN A PLATTED SUBDIVISION OTHER THAN TO INTERNAL SUBDIVISION STREETS OR AS OTHERWISE SHOWN ON THE PLAT.

RE: VAC2024-0001

This application is for the vacation of the fire access easement located on 1002 Huntington CT.

Nampa Fire District has reviewed the request to remove the non-build plat note for Lot 10, Block 1 of the Castleton Place Subdivision. The non-build was intended for a temporary emergency access road until a full secondary connection was made to the subdivision.

Castleton Avenue now extends from Ruth Ln. to E. Lewis Ln., eliminating the need for the secondary emergency access easement on Lot 10, Block 1.

The removal of this easement does not negatively affect Nampa Fire District's ability to respond.

Nampa Fire District approves of the removal of the plat note.

Please contact me if you have any questions.

Hi Madelyn,

Request for comments on the questions below.

- 1.) Will a Nutrient Pathogen Study be required? **A Nutrient Pathogen Study is not required.**
- 2.) Will adequate sanitary systems be provided to accommodate the use? **Lot 10 Block 1 will not be connected to a septic system and within city services.**
- 3.) Any concerns about the use or request for rezoning? If so, are there any conditions or mitigation measures recommended to ensure the use or requested rezone minimizes potential impacts to the surrounding area and nearby city? **SWDH is not concerned about the use of this project.**

Please let me know if you have any questions.

RE: VAC2024-0001

This application is for the vacation of the fire access easement located on 1002 Huntington CT.

Nampa Fire District has reviewed the request to remove the non-build plat note for Lot 10, Block 1 of the Castleton Place Subdivision. The non-build was intended for a temporary emergency access road until a full secondary connection was made to the subdivision.

Castleton Avenue now extends from Ruth Ln. to E. Lewis Ln., eliminating the need for the secondary emergency access easement on Lot 10, Block 1.

The removal of this easement does not negatively affect Nampa Fire District's ability to respond.

Nampa Fire District approves of the removal of the plat note.

Subject: Agency Notice of VAC2024-0001 / Thueson

Dear Ms. Vander Veen:

Thank you for the opportunity to respond to your request for comment. While DEQ does not review projects on a project-specific basis, we attempt to provide the best review of the information provided. DEQ encourages agencies to review and utilize the Idaho Environmental Guide to assist in addressing project-specific conditions that may apply. This guide can be found at:
<https://www.deq.idaho.gov/public-information/assistance-and-resources/outreach-and-education/>.

The following information does not cover every aspect of this project; however, we have the following general comments to use as appropriate:

1. AIR QUALITY

- Please review IDAPA 58.01.01 for all rules on Air Quality, especially those regarding fugitive dust (58.01.01.651), trade waste burning (58.01.01.600-617), and odor control plans (58.01.01.776).

For questions, contact David Luft, Air Quality Manager, at (208) 373-0550.

- IDAPA 58.01.01.201 requires an owner or operator of a facility to obtain an air quality permit to construct prior to the commencement of construction or modification of any facility that will be a source of air pollution in quantities above established levels. DEQ asks that cities and counties require a proposed facility to contact DEQ for an applicability determination on their proposal to ensure they remain in compliance with the rules.

For questions, contact the DEQ Air Quality Permitting Hotline at 1-877-573-7648.

2. WASTEWATER AND RECYCLED WATER

- DEQ recommends verifying that there is adequate sewer to serve this project prior to approval. Please contact the sewer provider for a capacity statement, declining balance report, and willingness to serve this project.
- IDAPA 58.01.16 and IDAPA 58.01.17 are the sections of Idaho rules regarding wastewater and recycled water. Please review these rules to determine whether this or future projects will require DEQ approval. IDAPA 58.01.03 is the section of Idaho rules regarding subsurface disposal of wastewater. Please review this rule to determine whether this or future projects will require permitting by the district health department.
- All projects for construction or modification of wastewater systems require preconstruction approval. Recycled water projects and subsurface disposal projects require separate permits as well.
- DEQ recommends that projects be served by existing approved wastewater collection systems or a centralized community wastewater system whenever possible. Please contact DEQ to discuss potential for development of a community treatment system along with best management practices for communities to protect ground water.
- DEQ recommends that cities and counties develop and use a comprehensive land use management plan, which includes the impacts of present and future wastewater management in this area. Please schedule a meeting with DEQ for further discussion and recommendations for plan development and implementation.

For questions, contact Valerie Greear, Water Quality Engineering Manager at (208) 373-0550.

3. DRINKING WATER

- DEQ recommends verifying that there is adequate water to serve this project prior to approval. Please contact the water provider for a capacity statement, declining balance report, and willingness to serve this project.
- IDAPA 58.01.08 is the section of Idaho rules regarding public drinking water systems. Please review these rules to determine whether this or future projects will require DEQ approval.
- All projects for construction or modification of public drinking water systems require preconstruction approval.
- DEQ recommends verifying if the current and/or proposed drinking water system is a regulated public drinking water system (refer to the DEQ website at: <https://www.deq.idaho.gov/water-quality/drinking-water/>). For non-regulated systems, DEQ recommends annual testing for total coliform bacteria, nitrate, and nitrite.
- If any private wells will be included in this project, we recommend that they be tested for total coliform bacteria, nitrate, and nitrite prior to use and retested annually thereafter.
- DEQ recommends using an existing drinking water system whenever possible or construction of a new community drinking water system. Please contact DEQ to discuss this project and to explore options to both best serve the future residents of this development and provide for protection of ground water resources.
- DEQ recommends cities and counties develop and use a comprehensive land use management plan which addresses the present and future needs of this area for adequate, safe, and sustainable drinking water. Please schedule a meeting with DEQ for further discussion and recommendations for plan development and implementation.

For questions, contact Valerie Greear, Water Quality Engineering Manager at (208) 373-0550.

4. SURFACE WATER

- Please contact DEQ to determine whether this project will require an Idaho Pollutant Discharge Elimination System (IPDES) Permit. A Multi-Sector General Permit from DEQ may be required for facilities that have an allowable discharge of stormwater or authorized non-storm water associated with the primary industrial activity and co-located industrial activity.
- For questions, contact James Craft, IPDES Compliance Supervisor, at (208) 373-0144.
- If this project is near a source of surface water, DEQ requests that projects incorporate construction best management practices (BMPs) to assist in the protection of Idaho's water resources. Additionally, please contact DEQ to identify BMP alternatives and to determine whether this project is in an area with Total Maximum Daily Load stormwater permit conditions.
- The Idaho Stream Channel Protection Act requires a permit for most stream channel alterations. Please contact the Idaho Department of Water Resources (IDWR), Western Regional Office, at 2735 Airport Way, Boise, or call (208) 334-2190 for more information. Information is also available on the IDWR website at: <https://idwr.idaho.gov/streams/stream-channel-alteration-permits.html>
- The Federal Clean Water Act requires a permit for filling or dredging in waters of the United States. Please contact the US Army Corps of Engineers, Boise Field Office, at 10095 Emerald Street, Boise, or call 208-345-2155 for more information regarding permits.

For questions, contact Lance Holloway, Surface Water Manager, at (208) 373-0550.

5. SOLID WASTE, HAZARDOUS WASTE AND GROUND WATER CONTAMINATION

- **Solid Waste.** No trash or other solid waste shall be buried, burned, or otherwise disposed of at the project site. These disposal methods are regulated by various state regulations including Idaho's Solid Waste Management Regulations and Standards (IDAPA 58.01.06), Rules and Regulations for Hazardous Waste (IDAPA 58.01.05), and Rules and Regulations for the Prevention of Air Pollution (IDAPA 58.01.01). Inert and other approved materials are also defined in the Solid Waste Management Regulations and Standards
- **Hazardous Waste.** The types and number of requirements that must be complied with under the federal Resource Conservation and Recovery Act (RCRA) and the Idaho Rules and Standards for Hazardous Waste (IDAPA 58.01.05) are based on the quantity and type of waste generated. Every business in Idaho is required to track the volume of waste generated, determine whether each type of waste is hazardous, and ensure that all wastes are properly disposed of according to federal, state, and local requirements.
- **Water Quality Standards.** Site activities must comply with the Idaho Water Quality Standards (IDAPA 58.01.02) regarding hazardous and deleterious-materials storage, disposal, or accumulation adjacent to or in the immediate vicinity of state waters (IDAPA 58.01.02.800); and the cleanup and reporting of oil-filled electrical equipment (IDAPA 58.01.02.849); hazardous materials (IDAPA 58.01.02.850); and used-oil and petroleum releases (IDAPA 58.01.02.851 and 852). Petroleum releases must be reported to DEQ in accordance with IDAPA 58.01.02.851.01 and 04. Hazardous material releases to state waters, or to land such that there is likelihood that it will enter state waters, must be reported to DEQ in accordance with IDAPA 58.01.02.850.

- **Ground Water Contamination.** DEQ requests that this project comply with Idaho's Ground Water Quality Rules (IDAPA 58.01.11), which states that "No person shall cause or allow the release, spilling, leaking, emission, discharge, escape, leaching, or disposal of a contaminant into the environment in a manner that causes a ground water quality standard to be exceeded, injures a beneficial use of ground water, or is not in accordance with a permit, consent order or applicable best management practice, best available method or best practical method."

6. ADDITIONAL NOTES

- If an underground storage tank (UST) or an aboveground storage tank (AST) is identified at the site, the site should be evaluated to determine whether the UST is regulated by DEQ. EPA regulates ASTs. UST and AST sites should be assessed to determine whether there is potential soil and ground water contamination. Please call DEQ at (208) 373-0550, or visit the DEQ website <https://www.deq.idaho.gov/waste-management-and-remediation/storage-tanks/leaking-underground-storage-tanks-in-idaho/> for assistance.
- If applicable to this project, DEQ recommends that BMPs be implemented for any of the following conditions: wash water from cleaning vehicles, fertilizers and pesticides, animal facilities, composted waste, and ponds. Please contact DEQ for more information on any of these conditions.

We look forward to working with you in a proactive manner to address potential environmental impacts that may be within our regulatory authority. If you have any questions, please contact me, or any of our technical staff at (208) 373-0550.

Sincerely,
