Notice of Neighborhood Meeting Pre-application requirement for a Public Hearing

Date

Dear Neighbor,

We are in the process of presenting an application to Canyon County Development Services for a [write in applicable application type i.e. variance, zoning ordinance map amendment, rezone]. One of the requirements necessary, prior to submission, is to hold a "Neighborhood Meeting" and provide information to our surrounding neighbors about our application; *Canyon County Zoning Ordinance § 07-01-15*. This meeting for our surrounding neighbors is only for informational purposes. We would like to receive feedback from you, our neighbors, as we move through the land use application process with the county.

This neighborhood meeting is **not** a public hearing before a governing body of Canyon County. Once our application has been submitted to the county's Development Services Department, only then, will a public hearing date be scheduled. Also, only after our application is accepted and a public hearing is scheduled with a confirmed date by the county, will the surrounding neighbors receive an official notification from the county via postal mail. The notice will also appear in a newspaper publication and a sign will be displayed on the parcel notifying the public of a county Planning and Zoning land use hearing for our application.

The Neighborhood Meeting details are as follows:

Property description:

The project is summarized below:

We look forward to our neighborhood meeting and encourage you, as our neighbor, to attend. During our meeting, we will answer any questions you may have. Please note, the county does not currently have any information on our project. Also, please do not call the county regarding this meeting or our application as this meeting is a PRE-APPLICATION requirement; we have not submitted the application to the county for consideration at this time.

Feel free to contact me at (insert phone, email, or written correspondence).

Sincerely,
