Re: CM/GC CCSO Pond Lane Detention Facility Construction Project RFQ

Dear Public Works Contractors:

On behalf of Canyon County and Facilities Director Rick Britton, we write to express the County's sincere appreciation for your submission of statements of qualification for the CM/GC Pond Lane Detention Facility Construction Project and for participating in the interview process. The County's evaluation committee has determined that the public works contractor that is the best qualified to provide the required services is Beniton Construction.

Beniton Construction will soon receive a letter from the County to begin contract negotiations. Facilities Director Rick Britton will be in contact to discuss coordination details as necessary.

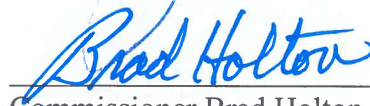

Again, thank you for very much for your thoughtful participation in this Project. We hope you will continue to review and participate in future County projects.

Sincerely,

BOARD OF COUNTY COMMISSIONERS

Commissioner Leslie Van Beek

Commissioner Brad Holton

Commissioner Zach Brooks
