I. INTRODUCTION

A. Notice

Pursuant to Idaho Code section 67-2805(2)(a), Canyon County hereby invites bids from contractors for the FY2026 Pickles Butte Sanitary Landfill Shop Addition Project.

The work contemplated by this IFB will take place at Pickles Butte Sanitary Landfill located at 15500 Missouri Avenue Nampa, Idaho 83686, and includes construction of an approximately 50' by 28' addition to an existing shop. The scope of work is attached hereto as exhibit A and incorporated by reference.

This IFB also serves as a tool to formalize negotiations to enter into a Construction Contract with the chosen provider, if any.

YOU MUST CAREFULLY READ THIS IFB AND MUST FOLLOW THE INSTRUCTIONS IN IT. YOUR FAILURE TO READ AND CAREFULLY FOLLOW THE INSTRUCTIONS MAY CAUSE THE COUNTY TO REJECT YOUR BID. THE TERMS OF THIS IFB WILL TAKE PRECEDENCE OVER CONTRADICTORY INFORMATION IN ANY ATACHMENT. QUESTIONS RELATED TO ANY INADVERTENT CONTRADICTIONS IN THESE MATERIALS CAN BE SUBMITTED WITH OTHER QUESTIONS OR OBJECTIONS PER THE SCHEDULE OF EVENTS UNDER SECTION II.A.

Contractor selection will be based on the contractor's response to this IFB and the contractor's ability in that response to demonstrate its capabilities to meet the defined objectives of Canyon County. Each bid will be evaluated to determine the qualified bidder submitting the lowest bid price complying with the bidding procedures and meeting the specifications. The County may consider, but is not necessarily limited to, the following factors:

- Responsiveness to the IFB requirements, including proof of appropriate public works licensure;
- Compliance with the administrative requirements of the bidding process;
- The number and scope of conditions attached to the bid;
- Cost.

The following information must be submitted as part of your bid:

- Bid Bond;
- Completed Bid Form;

B. Goals

Time is of the essence in this Project. The County's goals for this Project include:

- Rapid initiation and timely completion of construction;

D. General Project Requirements

This IFB contains the instructions governing the requirements for bids to be submitted by interested contractors, the materials to be included therein, the requirements that must be met, and the contractor's responsibilities before and after delivery.

Costs for developing bids pursuant to this IFB are entirely the responsibility of the Bidder and shall not be chargeable to the County.

G. Bid Bond

All bids must be accompanied by bid security in the form of certified check, cash, cashier's check, and/or bid bond made payable to Canyon County, certified check made payable to Canyon County, or bid bond executed by a qualified surety company, made payable to Canyon County, in an amount equal to five percent (5%) of the bid amount.

H. Acceptance and Rejection of Bids

The County reserves the right:

- To reject any or all bids, or any part thereof.
- To waive any minor defects in the bids if this is to the advantage of the County.
- To accept the bid or bids that are in the best interest of the County.

The County's decision shall be final. The County's waiver of a minor defect shall in no way modify the IFB document or excuse the Bidder from full compliance with its specifications if the Bidder is awarded the Contract. The County reserves the right to let separate contracts on any aspect of the work.

Bids which contain false or misleading statements, or which provide references which do not support an attribute or condition claimed by the Bidder, may be rejected. If, in the opinion of the

County, such information was intended to mislead the County in its evaluation of the bid, the bid shall be rejected.

III. REVIEW PROCESS

A. Validation Against Requirements

All bids submitted will be checked in detail for compliance with the mandatory requirements set forth in this IFB.

During the validation process, the County may find it necessary to request additional information from the bidder.

B. Correction of Errors

If errors are found in a bid, the County may reject the bid. However, the County may, at its sole option, correct arithmetic or transposition errors on the basis that the lowest level of detail will prevail in any discrepancy.

In the event of a discrepancy between the quantities cited in the narrative description and proposed Contract quantities and information submitted for evaluation purposes, the quantities cited in the narrative shall govern the quantities and summarization shall be recomputed accordingly.

C. Selection

Subject to the provisions contained in this IFB, the County intends to award a contract to the bidder meeting the specifications of this IFB and in accordance with the evaluation process contained herein and whose bid complies with all the requirements of this IFB and Idaho law.

The County reserves the right to make an award without further negotiations with the apparent successful bidder. Therefore, bids should be submitted with the most favorable terms the bidder can offer.

Bids should reflect the terms under which the bidder is prepared to meet the requirements of this IFB. After announcement of the successful bidder, there will be no negotiation of the terms of this IFB, or the bidder's submitted bid which will with the contract collectively comprise the terms of the agreement between the County and the successful bidder. Any attempt by the successful bidder to negotiate any of the terms described in Section IV, below will be considered a repudiation of the award. The County will then select the bid, if any, which next closely meets the requirements of this IFB.

D. Award of Contract

The successful bidder will be selected based upon the bid which complies with all the requirements of this IFB, any addenda thereto, and any additional IFB documents, except for such immaterial deviations as may be waived by the County, and Idaho law. Written notification of the selection will be made to all bidders who submitted a bid prior to final award of contract. If the County intends to award the contract to a bidder other than the apparent low bidder, an opportunity to object will be noticed. Time is of the essence in the administration of this IFB and subsequent initiation and performance under the resulting contract, if any.

If the successful bidder refuses or fails to execute the Contract, the County may award the Contract to the next lowest responsible Bidder, if any, whose bid complies with all the requirements of this IFB and any addenda thereto. The period of time within which such award of Contract may be made shall be subject to written agreement between the County and the Bidder concerned. The County may reject all bids and re-bid.

E. Objection to Contractor Award

The County intends to award the Contract to the licensed public works contractor submitting the lowest bid price, complying with the bidding procedures. If the County chooses to award the contract to a bidder other than the apparent low bidder, notice and opportunity to object shall be provided all bidders.

IV. GENERAL TERMS AND CONDITIONS

The evaluation of bids submitted in response to this IFB may result in the issuance of a contract. No work is authorized by this IFB to any person or firm until a final contract is approved and executed by both the County and the Contractor.

Should a contract be offered and executed, its General Terms and Conditions will include, but be not limited to, the following:

Canyon County and its elected officials, agents, employees, successors and assigns shall be included as Additional Insureds under the CGL with the Additional Insured endorsement providing coverage for Completed Operations.

All claims for services rendered under any contract executed with a selected bidder shall be sent directly to the Canyon County Board of Commissioners, with a copy to Director David Loper, for processing. Claims shall be paid in accordance with the provisions of the Contract attached as "Attachment 3", incorporated by reference herein.

I. Non-Appropriation

Subject to the County's determination to annually renew any contract, the County will duly and punctually pay the amounts to satisfy its obligation required under the Contract, recognizing

time is of the essence. The County may, solely at its option and in compliance with Article 8 Section 3 of the Idaho Constitution, and when and if it duly budgets and appropriates funds thereof from revenues legally available to it for the ensuing fiscal year, renew the Contract for an additional renewal term, as provided under the conditions of the IFB.

J. Indemnity

Bidder shall indemnify, defend and hold harmless Canyon County, and its officers and employees from and against any liability, claims, damages, lawsuits, expenses or actions, including reasonable attorney fees, covered by or arising out of the performance, act or omission of any term under this IFB or arising out of a failure to comply with federal, state or local laws or regulations.

Contract shall be subject to termination because of County's non-appropriation of funds.

If the bidder believes that other changes would be beneficial to the County, they may include this information in their bid. However, any bidder doing so should be sure to include a price based only on the requirements of this IFB with any additional or lesser price also shown.

L. Acceptance of Work

Work shall be considered accepted when contractor and County have finalized inspection of work and all items on final punch list have been completed.
