

HISTORIC PRESERVATION COMMISSION

2027 GRANT AWARDS

The Canyon County Historic Preservation Commission (HPC), under the direction of the Board of County Commissioners (BOCC), recommends and administers the Canyon County Historic Preservation Grant Award Program. The program distributes funds to non-profit organizations in Canyon County dedicated to the protection and maintenance of historic materials or properties.

To do this, Canyon County sets aside a small portion (*no more than twelve one-thousandth of a percent or <.012%*) of property tax revenue every year.

The HPC received more than \$200,000 in funding requests this year, and the BOCC approved funding for \$74,368. Below are the projects awarded funding for the 2027 fiscal year.

POST 18, NAMPA AMERICAN LEGION

The American Legion Post 18 received funds to replace damaged fascia board and extend the gutters.

\$4,765
